-Over \$500,000 in grant awards were received to date with another \$300,000 pending

-Collaboration and partnerships were fostered across many public, non-profit and private organizations

-Efforts are receiving state-wide recognition

REGIONAL COOPERATION

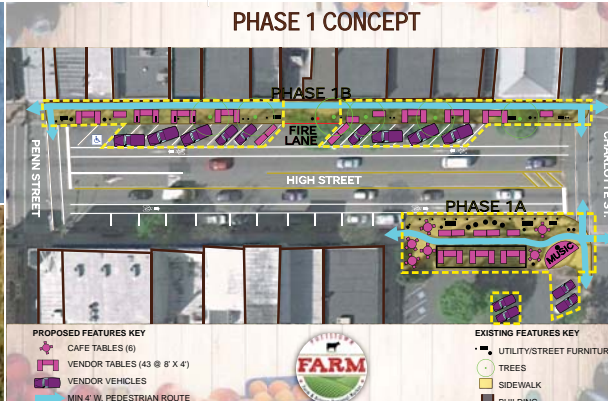

Six municipalities in the Pottstown Metro. Region entered into an inter-municipal agreement and received a grant from the Department of Conservation and Natural Resources for the establishment of a Regional Recreation Coordinator or "Circuit Rider". In Fall 2015, the regional recreation coordinator, Justin Keller was hired to help the municipalities advance their park, trail and recreation projects from inception through construction, while also looking for regional cooperation and public/private partnership opportunities.
